

Kromek Group Plc
(“Kromek” or “the Company” or “the Group”)
Total Voting Rights

Kromek Group Plc (AIM: KMK), a UK based technology company, developing high performance materials and products for radiation detection, announces that following its capital reorganisation and admission to trading on AIM (“Admission”), the total issued ordinary share capital and number of voting rights, effective from 8am tomorrow will be 107,357,335.

The above figure may be used by shareholders in the Company as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to their interest in, the share capital of the Company under the Financial Conduct Authority's Disclosure and Transparency Rules.

The number of shares in issue at Admission (as disclosed in the Admission Document dated 10 October 2013) will be reduced by 250,000 ordinary shares, being 0.23% of the issued ordinary share capital, and these shares are to be cancelled from trading on AIM as a result of an overallotment in the Company's share register following the capital reorganisation.
